

# Lupin Snooper

— THE NBRFC DIGITAL NEWSPAPER —

Great to see NBRFC spectators young and old supporting our teams.  
Club Day is 7th May

## The scoop of the year Our 3 houses are gone!

If you had not noticed, the three houses are now gone! Work started back in September last year on demolishing the three properties next to the clubrooms in preparation for the 6 x townhouses currently under construction. Once demolished the ground had to be remediated and the building process started with Mike Greer Commercial overseeing the building of the six townhouses. These have all been sold off the plans thanks to Shaun Creek and are due to be finished in September this year. Scott Taylor has been overseeing this for the Club and has been instrumental in getting this project underway. To round things off we have a few good clubmen doing the work on site with Brent Harris building the units and TK Plastering all set to do their bit shortly. Nice work boys!

## BREAKING NEWS

If you have anything you would like to contribute, please send it through to [secretary@nbrfc.co.nz](mailto:secretary@nbrfc.co.nz)

# CLUB DAY Saturday 7th May

Premiers vs Sumner Top      Field #1 @ 2.45pm

Premiers Reserves vs Sumner      Field #3 @ 1.00pm

Colts vs University      Field #2 @ 1.00pm

**Club Day is always a great day so come on down,  
there's food & music!**

Kev & Diane had long retired and were enjoying their retirement with long walks on the beach and going to their local rugby club on Saturday nights. One night at the Club when it was particularly quiet during speeches Diane noticed that the other members were staring at her. She leaned across to Kev and whispered, "I've just let go a silent fart. What do you think I should do?" He said, "I think you should get fresh batteries for your hearing aid."

# 50 Game Blazer Club

**Boris** joined NBRFC straight after finishing at Shirley Boys High School and played Colts and then the Premier Team. Although not living in Christchurch now he has made the trip back to play some games over the last 2 years. Great to see him join the 50 Game Blazer Club

**Kaleb Hunt-Wheeler**  
Great to see Kaleb make the 50 Game Blazer Club with his parents and partner at the Club to see him presented with his blazer. He has been an integral part of the Premier team over the last few years and is a top bloke.

**Robbie Mulvena**  
Robbie is the enforcer in our Premier backline and has a strong presence on the field. Always smiling off the field and a great team man keeping the new boys fired up and ready to go. Great to see him join the 50 game Blazer Club.
